

St. Augustine's CE Academy

Mission Statement

Love patiently accepts all things. It always trusts, always hopes and always continues strong. (1 Corinthians 13:7)

Our academy will:

- Provide a safe, nurturing and stimulating environment where everyone feels valued and respected, and where all members of the school community flourish.
- Build a community of compassion, where mistakes are seen as an intrinsic part of our journey, by celebrating the wonderful variety of different ways of being human.
- Strive to build positive relationships in the local and wider community, by fostering and maintaining connections with others to offer love, hope and friendship.
- Establish a secure space where children feel confident to ask and answer challenging questions, to prepare them to make positive life choices for themselves and others.
