

Baptism at Draycott Church

- This morning (28th January), the children went to Draycott Church to learn about why Christians are baptised. They have been learning in class about Jesus' baptism in the river Jordan by John the Baptist. Reverend Les Rees took the service and explained what happens during a baptism and the children acted it out, with parents, Godparents and baby Millie!

The Godparents received certificates and candles to remind them of what God expects of them in their
