

Subject Specific Vocabulary

friend	A person you know, like and enjoy spending time with.
emotions	An inner feeling when we react to what happens to us and around us.
respect	Accept somebody for who they are.
kind	Being friendly, generous and considerate.
lonely	Being alone when you don't want to be or feeling alone when you are with others.
resolve	To settle or make a decision about something.

What makes a good friend?

By the end of this topic I will explore...

- how to make friends with others
- how to recognise when I feel lonely and what I can do about it
- how people behave when they are being friendly and what makes a good friend
- how to resolve arguments that can occur in friendships
- how to ask for help if a friendship is making me unhappy

Links to our core values:

How can you help those who feel lonely?

How can you show love and friendship to others?

How can having hope help you manage friendships?
