

Subject Specific Vocabulary

Behaviour	The way in which an animal or person behaves in response to a particular situation
Feelings	The emotions we feel inside our minds. Our bodies can physically react to feelings we have.
Emotions	The scientific word for feelings that we have inside our minds.
Rights	Something we are entitled to by law.
Responsibilities	Something that we are required to. It could be our job or duty to do that thing.
Respect	Being aware of a person's feelings and opinions, being polite and well mannered to someone and being aware of their rights.
Secrets	Information not meant to be known by others.
Discrimination	Treating someone unfairly or differently because of the way they look or who they are.
Manage	To keep control over something.

How do we **manage** our feelings? How do we treat each other with **respect**?

Respect

By the end of this topic I will explore...

- ◆ How people's behaviour affects themselves and others including online.
- ◆ What rights and responsibilities are.
- ◆ What is privacy and what are secrets? Should we always keep a secret?
- ◆ What is discrimination? Everyone should feel included.
- ◆ What we should do if we experience or witness unwanted behaviours.
- ◆ How everyday things can affect our feelings and how our feelings can change over time.
- ◆ How to respond to and manage our feelings in different situations.

Links to our core values:

- How can show self love by managing our feelings to make good choices?
- How can we show love and hope by treating everyone equally and understanding that we are all unique and are all different and beautiful?
