(Taken from UC) Pupils will know that:

Know that Christians believe that through his teachings Jesus challenges everyone about the way they live.

Know that Jesus' first disciples left their jobs and families to follow Jesus.

Know what a parable is. Pupils can retell the parable of the Good Samaritan (including the man being attacked, the Levite and the priest passing by, the Samaritan stopping to help, and that Jesus asked who was this man's neighbour).

Be able to describe the work of a Christian charity that tries to put this teaching into practice e.g. Christian Aid. They should know that people of other faiths and of none also run charity work.

Use this knowledge and understanding to raise relevant questions in response to their enquiry into the Christian concept of the Gospel. Pupils are able to discuss the idea of loving your neighbour and how this has influenced Christians and wider society. They can explore links between the parable of the Good Samaritan and the story of the Pharisees and the tax collector.
