## Who is special to us?

### By the end of this topic I will explore...

- how family is one of the groups I belong to, as well as others
- about the different people in my family/those that love and care for me
- what my family members, or people that are special to me, do to make me feel loved and cared for
- how families are all different but share common features
- about different features of family life
- why it is important to tell someone if something about my family makes me feel unhappy or worried
